# SEKHEM REIKI

### WHAT IS REIKI?

Reiki is a form of Vibrational Healing that balances and heals our emotions, spirit, body and mind. It is used for healing clients, friends and family as well as oneself. It is also an excellent tool for self-empowerment. Sekhem Reiki, originating in Egypt, attunes the practitioner to the Divine Feminine within. No prior experience in any healing modality is necessary.

### SEKHEM INITIATIONS

Sekhem Reiki Level III is a one-day course that provides excellent preparation for Mastership and encompasses some very powerful ways of working with the Reiki energy on deeper psychological levels. This course includes working with crystals, and how to set up a Reiki crystalline grid to enable healing to flow continuously to yourself and others. There are many opportunities for questions and sharing. Each student will give and receive a Reiki treatment, and will leave feeling confident with their new skills.
