## WHAT DOES THE COURSE ENTAIL?

Now you can learn the secrets of using crystals and gemstones in different ways to assist in personal and world healing, meditation, stress relief, personal energy, and more.

### ***Course Description***

Take your knowledge of crystals further. In this follow up course, you will learn how to:

- clear disturbances in the platonic solids
- clear implants and cords
- align the Hara line
- activate your core star

- use crystal grids for protection and clearing
- activate the Merkabah (your light body vehicle) with crystals

You'll learn to work with the precision of intention, clarity and love to facilitate alignment at the higher chakra levels (chakra 12 and beyond). At these rarified frequencies, we work extensively with Vogel crystals to combine energies at subtle levels for calibration of the light body. You will learn how to facilitate healing with specific healing grids and layouts and how to perform advanced level etheric surgery.

## How Do Online Courses Work?

### WHAT YOU'LL NEED

As a participant of an Online Course, all you need is a computer and an open heart and mind! I will provide a comprehensive course workbook that you can download and print at your home computer. Our workbook contains all the course materials and is designed not only as a teaching tool, but as a journal for you to record your thoughts, feelings, and discoveries during this online adventure!

### HEALING KIT

You will receive a set of 6 crystals to use when we work with healing grids. These crystals will be sent to you upon registration so that you can begin feeling the energy of each crystal.

### OPTIONAL CDS

You will also have the option of purchasing CD sets of the meditations if you wish to have a copy for your use in the future whenever you want to delve into the work again.

### SHAMAN CIRCLE

We will join together at our online community at the Shaman Circle Forum, a place on my website which functions as a message board, where you may post messages regarding your course work

and ask questions of me as your guide on the journey.

I feel it is important that you have a teacher on this journey of spirit, so I will be available to answer questions and offer guidance through the online community. I believe the most effective teaching tool in the world wide web is the presence of the guide. The quality of human touch is a skill and a style I've developed over the years in my course work with students. So look for me to be your companion throughout this work as well as via phone conferences.

### PHONE CONFERENCES

Our group phone conferences will occur twice during the online course. We will connect via a bridge line where we all place a phone call to one phone number that bridges us together so we can communicate.

The phone calls are lots of fun and provide additional opportunities to connect and chat about your work. It is really enjoyable to hear everyone's voices and to spend an hour of precious time sharing our personal spiritual journeys.

You will receive an email with all the necessary information concerning the conference calls. The first one is scheduled for Wednesday November 19, 2008 at 5:00 pm PST.

### ENERGY HEALING

Each phone conference will include a collective energy healing for the group. This is optional for all members. In my experience as a

seeker and a teacher, energy healing is one of the most powerful ways available to move through blocks as well as to understand the power of the crystals.

### DURATION AND COMMITMENT

This online teaching program is designed as a six-week commitment in which you will have tasks to complete each week and post comments online.

### START DATE

The first class begins Monday November 3, 2008. Once a week each Sunday, you will receive the next week's lesson set.

### GROUP SIZE IS LIMITED

There are only 50 spots. If you are called to this program be sure to reserve your space right away!

### YOUR INVESTMENT IN YOURSELF

I've designed this program to be very affordable because I want everyone to have access to this information, particularly at this time of planetary shift.

Your tuition is \$327.00 for the six-week course, if you are interested in receiving a Vogel along with the course work.

If you already have a Vogel, or prefer to purchase your own, the course fee is \$197.00.

## A WORD ABOUT VOGELS

Most authentic Vogel-cut crystals start around \$400. There are really only two places that cut according to Vogel's specifications, and there are a few specific people who work independently. Most Vogel type crystals that you find are cut in Brazil by young crystal cut-

ters, and while they appear to be authentic, the points rarely are as mathematically precise as Vogel delineated, nor are the crystals good grade. For therapeutic healing purposes, the closer to the original and authentic mathematical precision you can get, the better.

I bought some a few years ago at the Tucson Gem and Mineral show from Drew Tousley, who was Vogel's apprentice. They have a few inclusions, and he wanted to sell the lot of them. He cut them to Vogel's specifications and they vary in length from 3 inches

to 5 inches. The inclusions do not in any way detract from the crystal, although they are not appropriate for work with extraction of entities.

If you choose to sign up and request a Vogel, please let me know more or less what size you'd like. It will have to be first come, first served, as I only have 12.

If you choose to enroll in the course but not to get a Vogel crystal, I can send you to a few websites where you can find excellent cutters, specifically for Vogels.

**GET STARTED INSTANTLY!**

All you need to get started is the decision that you'll commit yourself to following each of the lesson sets we've outlined in this course. Your entire investment is just \$327.00 with Vogel (\$197 without Vogel). We think you'll agree this is a tremendous bargain compared to anything else out there.

**REMINDER:** This is what you will get when you sign up:

- Weekly Lesson Set
- Crystal Kit
- Group Forum
